Items for discussion:

1. Workforce requirements & expectations

Alderman Pirmann wanted to discuss if we needed to alter anything in the Public Works Department to get more applicants. Public Works Director Joe Rockwell stated that it is the same thing for all departments and other cities. Currently we do not require CDL but recommend it. We require that they obtain a CDL after being hired. Alderman Cervantes stated that there is no action to be taken on this item.

2. Veterans Banners/Street Banners

Alderman Pirmann explained to the committee that the JDC and Winter Banners need updated. The committee is looking for an update on the Home town Hero Banner Arms. PW Director Rockwell explained that he is still waiting on the Banner Arms but should have them very soon. He also stated that he would look into ordering new Banners for JDC and Winter. Alderman Cervantes stated that there is no action to be taken on this item.

3. Random Department Inspections

Alderman Cervantes opened this up to discussion. Alderman Lohse stated that they need to go to the Department Head not the employee. Alderman Pirmann stated that this is at the Mayors discretion. Alderman Cervantes stated that there is no action to be taken on this item.
