9) City Staff Reports

A) Fire Department:

Chief Dave Johnson was absent

B) Inspections Department:

Jason said 7 Brew is coming a long, they got a little behind with the weather and an issue with the dirt contractor. Went up there today and talked to the trades that were there, superintendent was not there but I look forward to talking to him to get updates, find out ribbon cutting, and talking to Joe about stripping the streets. We also talk to one of the trade contractors for the national fast-food chain that is coming here. We did get verification from them, hopefully that is accurate still that they will be breaking ground in March of 2027, which is going next to 7 Brew. Meeting with Hampton on Thursday at 1pm to go over the permit process, it is pretty fumbled up right now and not organized. We had some contractors we found out were not registered, so trying to help them out and get them settled in. Getting the process more streamlined. I stopped at Bogota today which is out of business and is for sale. I did find out from the manager who manages Kewanee site and they have had 4 different Bogota dealers look at that site and are interested, that is good news. It is a good brand, and I hate to see it empty so we will see what happens there.

C) Police Department:

Chief Karzin said Jordan Rasso started this week, we have him doing a lot of inhouse stuff, and he goes to the academy in November. 7 Brew, I have been talking with Joe about directing

traffic and I appreciate Joe's input on that. I was baffled about what we were going to do, and he came up with the 3 lanes, and it is going to work really well for traffic flow. The trash when you go to Committee, I would like to be a part of that and Jason as well on the enforcement and what that is going to look like. Jose has been working hard on redoing all the policies and making sure they are up to date. Once he is done, I am going to review them, and we will put them into practice. We are in the process of the CSO and trying to hire and look at the background check and contacted the attorney on that as well and hopefully we will have some more news here this week on what direction we are going on that. Tomorrow, I leave for the Chief's conference in Orlando, so if you need something Jose will be around.

D) Public Works & Parks:

Joe Rockwell said we have a Civil Service meeting tomorrow, to give us a testing date for our new hire, hopefully it will be coming soon so we can get someone on board. I know we are talking about adding another guy and if possible, we can look at the next meeting to talk about that. Hiring 2 instead of one. Thank you for the Dura Patcher, it makes a world of difference and once we get caught up it will look better and it will not take us long to get caught up and it will last. We have stuff we patched 10 years ago and it is still holding. I appreciate it. 10th street, they tiled everything up and it should be seeded and ready to go by the end of the week.

10) Alderman Comments

Alderman Chad Vroman had nothing tonight

Alderman Rick Butts said if it is this late in the year and they till it up and seed by the end of the week, if it doesn't take will they come back out next year and Joe said yes. Thanks for having the street sweeper out, it is good to see, it is that time of the year wear the streets look bad.

Alderman Doug Greer said he wanted to thank everyone who helped with Trunk or Treat, the grandkids love it. What a turnout and the volunteers who came out and did this for such a long line and so many kids in costumes were great. The Gala I like that we can dress up and go and show who we are.

Alderman Jim DuPage had nothing tonight

Alderman Steve Marinaccio was absent

Alderman Dave Rice had nothing tonight

Alderwoman Arial Wilcox said she wanted to dido some of Doug's comments. The Gala was a great experience and thank you for inviting me along and the Trunk or Treat was a great turn out again and it was nice to see.

Alderwoman Chrissy Winters said Trunk or Treat is really fun to do, and I appreciate the city putting it in their budget so we can hand out all that candy. I think it is a great idea to go to different things and get that experience we want the whole community to see us and not all at the same time.

11) Mayor Comments

Mayor Bob Cervantes said there were a lot of pictures taken at the Gala, some good some funny, and some in-between. The Trunk or Treat was well attended with participation by our Police Department, our Fire Department and City Staff, it was really good. I again express that the Alderman get out to these events and show your face so the people in your ward know who you are. I passed out that the Chamber is having something this Friday, those of you that can

make it they are celebrating the end of Hispanic Heritage month. Has everyone been down to Moore Caffeine, it is really nice.
