SoundCloud the response for that is that if they open it on their phone or computer it will automatically download the entire file if you don't have an opener like SoundCloud to do it. It is an option, but it will fill up people's computers or phones that choose to listen to it. I can look into other devices we could use. Hero Street the pavilion we did get the grant for the lights, that went from \$3200 down to \$997.50. Railroad event on October 18th & 19th, I did share on Facebook today they are calling it Tractors and Trains. Hispanic Heritage is September 14th down on Hero Street, going to be a big event we are partnering with the library on that and it will be from noon to 8pm and we are needing more volunteers still even for an hour. If anyone is willing to help.

8.6) Mayor's Report:

Mayor Carter said he did pick up the baggage car that actually broke in half across at railway park. It is in the back garage it is in 2 halves and in really bad shape. It is going to have to be completely rebuilt, and I did receive a lumber donation for rebuilding. If anyone wants to help with that.
