Items for discussion:

1. Combining the code enforcement officer with the community service officer position

Alderman Rice asked Chief VanKlaveren to explain his thoughts on this. Chief VanKlaveren stated that he thinks that this is a bad idea. Chief explained that these are both full time jobs that would cause a lot of problems making this 1 full time job. The City has enough work for both positions. The Committee discussed this and decided that it is best to leave the positions the way that they currently are. All in favor

Public Comment: Steve Marinaccio
