Roll Call: Alderman Lohse, Alderwoman Winters

Others in Attendance: Alderman Pirmann, Jerry Leibovitz(phone), Amy Malmstrom
Absent: Alderman Greer

Items for discussion:

1. New Software for the City Clerk's Office

The alderman discussed that the Software we are currently using is not fitting the needs of the City. The reports are not what the alderman would like to see. We are having a terrible time at getting a response back from IT in a timely manner. Amy has been researching new companies for over 2 years. The company that she has settled on is BS&A. At this time the committee agrees with Amy that there needs to be new software ASAP. This will be paid out of ARPA funds. Alderman Lohse made a motion to move this on to the COW for further discussion and possible action, 2nd by Alderwoman Winters. All in favor.

Public Comment: None
