8) Informational:

8.1) City Attorney Report:

Roger said he wanted to correct the record. My resume doesn't show it, but I represent the Metro Link and in representing Metro Link I can tell you that I am absolutely positive that I can walk out this door to get on a bus, go to my office, get on another link and go to my home. That makes me a local attorney. That is necessary to correct the record.

8.2) City Administrator's Report:

Jerry said he mailed out his report to everyone so he will not go over all of it but will hit a couple of highlights. We are in development with a developer who is strongly interested in building a Sports Complex at the old driving range. The landowner is a little slower, so we are trying to get everyone to the table. The Rail House, Stricklen BBQ are interested in purchasing that property. Topsy Tees there is a lease in negotiations as well. The Quad City Hispanic Chamber of Commerce is in negotiations for their lease into QC Custom Tees building. The Hospital Road project has been submitted to the state for funding. 10th St pedestrian path between Crosstown and 10th St., Crosstown and Avenue of the Cities, that project is starting. We have a zoom call with a fast food chain that is interested in building out in front of Walmart.

9) City Staff Reports

A) Fire Department:

No Report

B) Inspections Department:

Tom had no report.

C) Police Department:

Chief VanKlaverren said there is a tree in the road that has cut all our power. Sounds like they bugged out of QComm tonight, but they are back in. The tornado was spotted in Coyne Center and confirmed.

D) Public Works & Parks:

Joe said just to add what Jerry was talking about; with the grant we also added 3rd and 7th St to that. 10th St bike path they were going to start on the Avenue of the Cities side and now they are starting on the Crosstown side because MidAmerican has to move some power polls. It will get congested there so you might want to find an alternate route. Fair Acres, 21st Ave, is done with storm sewer, they will be pouring curb on Friday, so hopefully 21st and 11th St will be done in the next week and half or so of 22nd Ave will be next. Craig asked Joe; at the bottom of each street that comes to 1st Ave, there is a lot of gravel, and it is really hard to take off and get traction, can you look at some of them.

10) Alderman Comments

Alderman Craig Pirmann read a saying from George Bernard Shaw that he has always believed in.

Alderman Steve Marinaccio said his first meeting sitting in the chair, I only have one thing to ask for Joe. It looks like someone has put a big hole at 4th Ave & 15th St to put a sewer drain in, but I don't know why. Joe said they have a sewer lateral that they are fixing. There was a sink hole there. The homeowner is fixing it.

Alderwoman Chrissy Winters said I will not be here the next meeting I will be in Europe.
