Local Knowledge At Frank's

Frank's Pizza has been an icon in Silvis for over 55 years. In those 55 years, the menu has grown, providing mouth-watering dishes and some staples among its dedicated followers.

Sometimes as tricky as it is to decide on chicken, pizza or both, make sure you consider looking over the menu closely to items you may never have considered before. For instance, a spicy sausage pizza also referred to as the "It" in the kitchen. Yup, that's right, spicy sausage pizza, or on the menu as Italian Sausage. If you want to spice things up, it adds a new dimension of taste to Frank's line-up of pizza flavors. Or, perhaps ordering the Italian Beef un-built, also known as in the kitchen as "beef separated". It's a wise choice if you are grabbing one to go. Request at the time of your order for the meat to be packaged in a separate container with bread on the side, this ensures a fresh sandwich when you reach your final destination.

The half-bakes are an option for those family members that have since moved out of state but still crave that hometown pizza. Half-bakes are made to order and ready to be frozen, only later to be completed in an oven at home.

And don't forget the well-overlooked cheese fries. Large wedge-style steak fries smothered in melted cheese, a meal within itself.

Whichever meal you choose, you won't be disappointed.

Buon Appetito!

Below this, it lists items that will NOT be picked up: 'Construction Material • Wood Pallets • Electronics • Tires • Appliances • Hazardous Waste • Water Heaters'. At the bottom, it says 'Please call City Hall for more info: 309-792-9181'. The poster features an illustration of a trash truck and a person loading a dumpster.
